

DWR11 COLOUR

-  NEX11-R
-  NEX11-B
-  NEX11-G
-  NEX11-W
-  NEX11-S

PRODUCT DESCRIPTION

This grade is our highly flexible premium durability wax resin colour ribbons designed to offer excellent performance on near edge technology desktop, industrial and in line coding printer systems. These grades offer maximum print performance on a wide range of all types of coated papers, synthetic films and packaging films. It has a proven track record as a drop in replacement for the branded products supplied by OEMs such as Toshiba TEC, Avery, Markem, Videojet & ICE. With ISEGA approval and manufactured to BRC global standards this grade is the ideal choice for in line coders or desk top printers used in food packaging applications. This grade offers bold, colour prints at print speeds of up to 16 inches per second. It has a high resin content that allows for high levels of durability to the printed image. This grade is available in a range of stock sizes for next day delivery.

RECOMMENDED SUBSTRATES

Coated paper and tag materials, synthetic paper, polyethylene, polypropylene, polyolefin, most types of flexible packaging films.
